## **Shawnee Construction & Engineering, Inc. awarded new project.**

**January 3, 2011, Fort Wayne, IN:** Shawnee Construction & Engineering, Inc. has been selected as General Contractor for new project estimated at over \$120,000 dollars.

*Big Apple Bagels, owner operators Paul and Katie Wollam*, located at 5129 Illinois Road, Suite 101 in the Shoppes of Illinois Road, has awarded Shawnee Construction & Engineering, Inc. a \$120,000 dollar contract for the construction of a 1950 square foot tenant finish. Construction is slated for completion in early 2011. The project architect is WKM and Associates.

Big Apple Bagels restaurants focus on the company's four brands - the bagel business itself, BABS' DELI® (our sandwich offering), Brewster's Coffee®, and My Favorite Muffin®. Unique within the industry, it is one of the few restaurant concepts that makes its bagels from scratch on the premises. With its high quality ingredients and fresh products, Big Apple Bagels has won consumer taste tests across the country for the past fifteen years.

Shawnee Construction & Engineering, Inc., a leader in the field of construction services, is a family-owned and operated business founded in 1968. Built on the philosophy that sound practices and long-term relationships are essential to building sound structures, the company combines old-fashioned integrity, hard work, and dedication with state-of-the-art technology to provide the highest levels of quality, value, and service.

Shawnee Construction & Engineering, Inc., specializes in general construction, commercial, industrial, medical, education and retail construction services as well as construction maintenance work.
