Shawnee Construction & Engineering, Inc. awarded contract for new facility.

July 31, 2015, Fort Wayne, IN: Shawnee Construction & Engineering, Inc. has been selected as Construction Manager for a new assisted living facility.

Thurston Woods Village awarded Shawnee Construction & Engineering, Inc. a contract for 46,000 square foot renovation for their assisted living facility. The renovation at **Thurston Woods Village, 307 N. Franks Ave., Sturgis, Michigan** will consist of the Villa (Licensed Assisted Living), and Alzheimer's Neighborhood (Licensed Nursing), common area improvements, new entry canopy, and exterior improvements. The \$4.5 million project, scheduled for completion in late 2016, has a 4-phase schedule to minimize disruption. MKM Architecture + Design of Fort Wayne. is the project architect.

Shawnee Construction & Engineering, Inc., a leader in the field of construction services, is a family-owned and operated business founded in 1968. Built on the philosophy that sound practices and long-term relationships are essential to building sound structures, the company combines old-fashioned integrity, hard work, and dedication with state-of-the-art technology to provide the highest levels of quality, value, and service.

Shawnee Construction & Engineering, Inc. specializes in general construction, commercial, industrial, medical, education and retail construction services as well as construction remodeling and maintenance work.
